## Creating Experiences Beyond Music.

### MUSICAL CONCEPT

GALIGUER is a DJ and music producer who fuses Afro Latin House and Afro Melodic House with deep Latin roots—salsa, flamenco, and organic rhythms—within a contemporary electronic structure that bridges tradition and modernity.

His sound is identity, energy, and narrative: a bridge between cultural heritage and global vanguard that transcends the dancefloor.

### CONCEPT | REAL SALSA

REAL SALSA is GALIGUER's flagship project, created alongside Jimena. A disruptive brand that blends salsa, flamenco, and zamba with electronic music—bringing Latin roots toward a modern, global language.

More than music: conceptual events, live musicians, scenic production, and visual narrative. A project in expansion, with new music on the horizon and a vision to become a record label.

### TRAJECTORY

GALIGUER has performed 200+ shows across Colombia—from Bogotá (the country's cultural epicenter) to Cartagena (Caribbean coast) and Prado, Tolima (ancestral highlands)—at internationally recognized venues including Octava, Wala, Capri, Amezquita, and Clandestino, a club that ranked among the world's top 100 for five consecutive years, where he held a residency.

He has shared the stage with globally established artists including Amal Nemer, Rodriguez Jr, Fnx Omar, Tom & Collins, Bassel Darwish, Peter Guzman, Technasia, Massianello, Andres Leal, Renate, Dis.hype, Moreno & Prieto, Venthura, Julio Victoria, Harvy Valencia, and Sebastián Xottelo.

Festival appearances include Ancestral Brunch Fest, Edén Fest, and W Presents—Colombia's premiere electronic music platforms.

CDA Awards Finalist—Breakthrough Artist Category. One of the most compelling emerging voices in contemporary Latin American electronic music.
